

## Expanding Your Business Globally with Ajmera Law Group

At Ajmera Law Group, we understand that taking your business international is a significant step toward growth and success. Our expertise in **international business law**, coupled with over 30 years of experience, ensures that your journey to establish a foreign presence is smooth, compliant, and efficient.

We provide end-to-end legal and advisory services to help businesses set up operations in any country, taking care of everything from registration to obtaining the necessary licenses and permits.

## How We Can Assist

1. **Company Formation and Structuring:**
  - Selecting the most suitable legal entity (branch office, subsidiary, or joint venture).
  - Drafting and filing necessary documentation with local authorities.
  - Advising on compliance with international corporate laws.
2. **Office Setup Assistance:**
  - Leasing or purchasing office spaces in compliance with local laws.
  - Setting up technology infrastructure and logistics.
  - Connecting with local service providers and suppliers.
3. **Licenses and Permits:**
  - Identifying all required licenses and permits specific to your industry.
  - Filing applications with the relevant authorities.
  - Ensuring timely renewals and updates to remain compliant.
4. **Taxation and Banking:**
  - Advising on corporate tax compliance in the host country.
  - Opening and managing international bank accounts.
  - Ensuring compliance with transfer pricing regulations.
5. **Employee and Visa Assistance:**
  - Securing work visas and residence permits for employees.
  - Providing guidance on local labor laws and employment contracts.
  - Assisting with employee relocation and onboarding.

**6. Intellectual Property Protection:**

- Registering trademarks, patents, and copyrights in the new jurisdiction.
- Ensuring protection against infringement and misuse.

**7. Legal and Regulatory Compliance:**

- Continuous monitoring of changes in local laws.
- Providing advice on regulatory updates affecting your operations.
- Managing audits and ensuring risk mitigation.

**8. Market Entry Strategies:**

- Conducting feasibility studies for target markets.
- Advising on partnerships, mergers, or acquisitions.
- Providing insights into local cultural and business practices.

## Why Choose Ajmera Law Group?
